

# Friends Forever by Ann Morris

We are good friends. We play *together*. We stick *together*.  
We walk *together* and *talk together*. We are glad to be *together*.  
We help *each other*. We can make a sad day a glad day.  
We like to hunt for shells and rocks. We dig. Dig, dig, dig, in the sand.  
We have so much fun! Let's jump up and down *together*. Jump, jump, jump! It's fun! We eat snacks *together*. We eat all sorts of food.  
Munch, munch, munch! Yum! We whisper to *each other* and grin and giggle. Giggle, giggle, giggle! Giggle with friends! We're on a team.  
We kick the ball. We run and pass and kick and cheer. Run, run, run! Run with friends! Sometimes we make bubbles. Pop, pop, pop!  
Sometimes we just like being *together*. Let's make things—red, purple, pink, or black. Cut, cut, cut! Let's act silly! This is fun! We play a beautiful song *together*. Fiddle, fiddle, fiddle! Isn't that a nice thing to do with a friend? My granddad is my friend. We catch fish. We giggle when things are funny. We hug a lot. My little sister is my friend. My dolls are my friends. My horse is my pal. My dog is my pal. Pets can have friends. My dog and cat are pals. *School* is a good *place* for friends. In *school*, we can share games and songs. We can share books and a smile. Good friends are *great*! Let's be FRIENDS FOREVER!
