

TAC OVERVIEW: MEETING 1

BETSY O'HARA

SEPTEMBER 9, 2021

GROWS FOR THE BEGINNING OF SCHOOL

- 
- Students and faculty are excited to be back in school.
 - Staff are supporting each other and helping out when needed.
 - Great turn out for Open House.
 - Enjoying the new staff in the building.
 - School buildings are spotless and look great.

GROWS TO LOOK AT

- 
- Improving math scores across the district.
 - Student absences (non-Covid related).
 - Substitutes are greatly needed in our county.
 - Need to continue to remind students the importance of school and school expectations.
 - PBIS implemented and followed.

MAIN TOPIC

SUBSTITUTES:

- 
- Making a marketing video for the public to bring more substitutes to our county.
 - Putting an important message announcement on our webpage about substitutes being needed.
 - Creating a flyer to put out in the community highlighting the requirements for being a substitute.

"The beginning is the most important part of the work" ~Pluto
