

Bus Transportation Requests:

Students that need bus transportation to and from addresses that **ARE NOT** their legal addresses cannot submit these requests until after the first 10 days of school.

- Extra Transportation requests do NOT carry over from one school year to the next (or from summer school). A new request must be submitted each year.
- Extra Transportation requests submitted before or at the beginning of the school year will not be considered until after the 10th day of school.
- Main ET request considerations: • Is there room on the bus serving the requested ET location? • Does the bus have to deviate from its established path to serve the ET location?
